Cancellation Policy

Cancellations received in writing by August 14, 2009, will be refunded less a \$100 administrative fee. Cancellations received in writing between August 15, 2009, and September 4, 2009, will be subject to a 50% penalty. No refunds will be given after September 4, 2009. Refunds or credits will not be given for failure to attend, late arrival, unattended events, or early departure.

The Cardiovascular Research Foundation is not responsible for airfare, housing, or other costs incurred by participants in the event of program or registration cancellation.

Please note in the event that the 21st Annual Transcatheter Cardiovascular Therapeutics symposium, also known as TCT 2009, is abbreviated or canceled because of circumstances beyond the Cardiovascular Research Foundation's control, including, but not limited to, civil disturbance, earthquake, electrical outage, explosion, fire, freight embargo, strike or labor unrest, flood, hurricane, tornado, or other acts of God, an act of war, terrorism, or the act of any government (de facto or de jure), or any government agency or official, the Cardiovascular Research Foundation reserves the right, at the Cardiovascular Research Foundation's sole discretion, to unilaterally terminate the symposium. In these circumstances, the registrant expressly agrees to waive any claim that he, she, or it may have against the Cardiovascular Research Foundation for damages or compensation, including, but not limited to, fees for registration, housing, airfare, and/or incidental charges.

Visa Requirements and Letters of Invitation

If you require a visa to enter the United States, please check with your local US embassy or consulate to obtain the necessary documents. Please allow enough time to process your visa. Please visit www.unitedstatesvisas.gov for information on the visa application process.

The organizers of TCT, sponsored by CRF, believe that international participation and contributions are critical to the continued success of this important educational symposium. We recognize that the application process for a travel visa has become more complicated and expensive. We are committed to assisting our international participants in this process.

CRF is pleased to offer a \$100 discount to attendees who must obtain a visa for travel to the United States. This discount will be available to registrants from those countries for which the United States requires a visa. CRF reserves the right to determine individual eligibility for this offer and to modify, and/or cancel, this offer at any time.

On request, CRF is pleased to offer a letter of invitation to participate in TCT 2009. This letter of invitation is not a commitment on the part of CRF to provide financial support, not a guarantee of acceptance of an abstract, and not a guarantee that a US embassy or consulate will issue a visa. Letters of invitation are sent only to those individuals who are registered to attend the program and whose payments have been verified. To request an invitation letter, please contact the TCT Registration Bureau.

Confirmation of Registration

Confirmation letters will be e-mailed to registrants. If an e-mail address was not provided on the registration form, attempts will be made to send a confirmation letter by fax or, lastly, by mail. To ensure receipt of the confirmation e-mail, please add TCT@Laser-Registration.com and no-reply@Laser-Registration.com to your 'safe' sender list and/or e-mail address book.
