LATE BREAKING TRIAL AND FIRST REPORT INVESTIGATION

TCT Late Breaking Trials are typically first-time worldwide or US presentations of the primary endpoint or important secondary endpoint results of prospective, randomized clinical trials. TCT First Report Investigations are typically first-time worldwide or US presentations of large-scale, impactful single-center or multicenter registries, first-in-man experiences with novel devices or drugs, or important follow-up data from major randomized trials. Studies accepted as Late Breaking Trials and First Report Investigations will be presented at TCT 2008 in the Main Arena on Tuesday, October 14, Wednesday, October 15, or Thursday, October 16. In addition to being presented in the Main Arena, Late Breaking Trials and First Report Investigations are also presented during press conferences scheduled on the same days as the presentations.

 **Submission Deadline:**
August 1, 2008

Late Breaking Trial and First Report Investigation

Please visit www.tctconference.com to submit your application. One application must be completed for each Late Breaking Trial or First Report Investigation. Presentations of accepted Late Breaking Trials and First Report Investigations prior to TCT 2008 are strictly embargoed. Note: Accepted Late Breaking Trials and First Report Investigations may not be withdrawn due to negative results. Such action will negatively impact future applications from both the applicant and the trial sponsor.

Submission Criteria and Specifications

- Submission indicates that the clinical trial or study is likely to be completed by TCT
- Accepted submissions will be presented at TCT regardless of whether the results are positive or negative (Accepted submissions may not be withdrawn due to negative results)
- Presentations of accepted Late Breaking Trials and First Report Investigations prior to TCT are strictly embargoed
- Physicians whose clinical trials or studies are accepted for presentation become TCT faculty and their registration fees are waived

Submission Process

- The Late Breaking Trial and First Report Investigation submission process begins on May 1, 2008, at 9:00 AM (CDT)
- Applications must be submitted online at www.tctconference.com
- The submission deadline is August 1, 2008, by 5:00 PM (CDT)
