

Application for Booth Space

TCT for Nurses and Technologists is the premier global forum for the discussion of the latest advances in interventional, pharmacologic, and clinical/administrative strategies for the management of the cardiovascular patient. In its 19th year, this program traditionally attracts approximately 350 to 400 allied health care professionals.

Industry has the unique opportunity to connect with these attendees by exhibiting with a tabletop booth during the program in a highly visible area outside of the meeting room in the Walter E. Washington Convention Center. Exhibitors of last year's program reported high-volume traffic and an excellent return on their investment.

Exhibit Hall hours are from 7:30 AM-6:00 PM on Tuesday, September 21, 2010, followed by a cocktail reception sponsored by the Cardiovascular Research Foundation. Space is limited and offered on a first-come, first-served basis.

Terms and Conditions

Distribution of Product Information

In accordance with ACCME guidelines, product information cannot be distributed at any scientific session or in hotel lobbies. Distribution of printed materials by exhibitors and/or their agents is limited to the exhibitor's booth area. Companies may not display or demonstrate products, solicit orders, or distribute advertising materials at any location other than in their assigned booth space, including any of the contracted hotels. This guideline is strictly enforced.

Cancellation Policy

Receipt of a signed Application for Booth Space is a commitment to exhibit at the 19th Annual Nurse and Technologist Symposium; therefore, notification of booth space cancellation must be in writing on company letterhead and submitted to CRF, and exhibitors are required to pay appropriate fees or cancellation penalties.

Exhibitors that cancel their booth space will pay the following fees:

- For cancellation or reduction of booth space on or before June 25, 2010, the exhibitor will pay 50% of the total booth fee
- For cancellation or reduction of booth space after June 25, 2010, the exhibitor will pay 100% of the total booth fee

The application for booth space is a binding contract when signed and submitted to the Cardiovascular Research Foundation and indicates the applicant's willingness to abide by all contract terms, conditions, and general rules and regulations, as well as such additional rules and regulations that the Cardiovascular Research Foundation deems necessary to ensure the success of the 19th Annual Nurse and Technologist Symposium. These terms and conditions may be amended at any time by the Cardiovascular Research Foundation and all amendments, upon publication, shall be equally binding on all parties affected by them as the original regulations. The signer of the application also agrees to share the terms and conditions with all exhibiting company representatives who attend the 19th Annual Nurse and Technologist Symposium.

I, the undersigned, have read and agree to the terms and conditions including the Cancellation Policy above and will abide by these terms.
