Cancellation Policy

Cancellations received in writing by August 13, 2010, will be refunded less a \$100 administrative fee. Cancellations received in writing between August 14, 2010 and September 3, 2010, will be subject to a 50% penalty. No refunds will be given after September 3, 2010. Refunds or credits will not be given for failure to attend, late arrival, unattended events, or early departure.

The Cardiovascular Research Foundation is not responsible for airfare, housing, or other costs incurred by participants in the event of program or registration cancellation.

Please note, in the event that the 22nd Annual Transcatheter Cardiovascular Therapeutics symposium, also known as TCT 2010, is abbreviated or canceled because of circumstances beyond the Cardiovascular Research Foundation's control, including, but not limited to, civil disturbance, earthquake, electrical outage, explosion, fire, freight embargo, strike or labor unrest, flood, hurricane, tornado, or other acts of God, an act of war, terrorism, or the act of any government (de facto or de jure), or any government agency or official, the Cardiovascular Research Foundation reserves the right, at the Cardiovascular Research Foundation's sole discretion, to unilaterally terminate the symposium. In these circumstances, the registrant expressly agrees to waive any claim that he, she, or it may have against the Cardiovascular Research Foundation for damages or compensation, including, but not limited to, fees for registration, housing, airfare, and/or incidental charges.

Visa Requirements and Letters of Invitation

If you require a visa to enter the United States, please check with your local US embassy or consulate to obtain the necessary documents. Please allow enough time to process your visa. Please visit www.unitedstatesvisas.gov for information on the visa application process.

The organizers of TCT, sponsored by CRF, believe that international participation and contributions are critical to the continued success of this important educational symposium. We recognize that the application process for a travel visa has become more complicated and expensive. We are committed to assisting our international participants in this process.

CRF is pleased to offer a \$100 discount to attendees who must obtain a visa for travel to the United States. This discount will be applied for registrants from those countries for which the United States requires a visa. CRF reserves the right to determine individual eligibility for this offer and to modify and/or cancel this offer at any time.

On request, CRF is pleased to send an invitation for participation in TCT 2010. Such an invitation is not a commitment on the part of CRF to provide any financial support, nor is it a guarantee of the acceptance of an abstract, nor a guarantee that the consulate will issue the visa. Letters of invitation are sent only to those individuals who are registered to attend the program and whose payments have been verified. To request an invitation letter, please contact the TCT Registration Bureau.
